Frederick Burkhardt, President  
Bennington College  
Bennington, Vermont

Dear President Burkhardt:

I apologize for sending you so late my answer to your kind invitation to participate in the symposium of music and art. I've just returned yesterday from a three week's tour.

The program is very promising. I am happy to accept your invitation to come and perhaps to talk if there is the proper opportunity. Varèse, Sert, Bouchard and Waldman are dear friends of mine.

I will try to arrive on Saturday, the 14th, but certainly not later than Sunday, and remain for the duration of the symposium.

Very sincerely yours,

*F. Kiesler*
