**Tu vois le feu du soir...**

*Tu vois le feu du soir qui sort de sa coquille  
Et tu vois la forêt enfouie dans sa fraîcheur*

*Tu vois la plaine nue aux flancs du ciel traînard  
La neige haute comme la mer  
Et la mer haute dans l'azur*

*Pierres parfaites et bois doux secours voilés  
Tu vois les villes teintes de mélancolie  
Dorée des trottoirs pleins d'excuses  
Une place où la solitude a sa statue  
Souriante et l'amour une seule maison*

*Tu vois les animeaux  
Sosies malins sacrifiés l'un à l'autre  
Frères immaculés aux ombres confondues  
Dans un désert de sang*

*Tu vois un bel enfant quand il joue quand il rit  
Il est bien plus petit  
Que le petit oiseau du bout des branches*

*Tu vois un paysage aux saveurs d'huile et d'eau  
D'où la roche est exclue où la terre abandonne  
Sa verdure à l'été qui la couvre de fruits*

*Des femmes descendant de leur miroir ancien  
T'apportent leur jeunesse et leur foi en la tienne  
Et l'une sa clarté la voile qui t'entraîne  
Te fait secrètement voir le monde sans toi.*

**You see the evening fire...**

*You see the evening fire leaving its shell  
and you see the forest buried in its coolness*

*you see the bare plain on the flanks of the loitering sky  
the snow as high as the sea  
and the sea high in the azure*

*perfect stones and sweet woods veiled succours  
you see the towns tinted with gilded  
melancholy pavements full of excuses  
a square in which solitude has its smiling  
statue and love a single house*

*you see the animals  
malicious doubles sacrificed the one to the other  
immaculate brothers with confused shadows  
in a desert of blood*

*you see a handsome child as he plays as he laughs  
he is much smaller  
than the little bird of the tip of the branches*

*you see a landscape with savours of oil and water  
from which the rock is excluded where the earth abandons  
its verdure to the summer which dresses her with fruit*

*women descending from their ancient mirror  
bring you their youth and their faith in your own  
and one her brightness veils her which engages you  
makes you secretly see the world without you.*

*Text: Paul Eluard*
