NOTICE TO THE BENNINGTON COLLEGE COMMUNITY  
FROM THE VIETNAM COMMITTEE

The people attending the mobilization are in severe need of financial assistance due to the high cost of chartering a bus. Teachers and students are urged to express their support monetarily, if possible.

Because of federal transportation laws, we are also forced to meet our bus in Albany. We badly need someone to drive the college bus to Albany, leaving here at 10:00 P.M. Friday, as well as additional transportation there. Anyone interested in driving the bus needs only to know how to operate a standard shift car, and must take the bus out on a trial run first.

Anyone wishing to help out, please contact Sally Pischl, Box 360.
