All music and text composed by Liam Dailey unless otherwise noted.

Thanks to Kitty Brazelton, Nick Brooke, Tom Bogdan, Allen Shawn, John Kirk, Bruce Williamson, and the rest of the Music Department for their wisdom, patience and support.

Thanks to Christian Mailloux, Seamus Carey, Matt Scott, Dan Roninson, Ryan Albert and Miles Driscoll for their generosity and technical expertise.

Thanks to Brooke Allen, Sherry Kramer, David Anderegg, Mike Rancourt, Brian Campion, Marta Stringham and the rest of the Admissions Office, and everyone else at Bennington who has helped to shape my experience here.

Thanks to my family, of course, for too many things to name.

Thanks finally to the performers who have generously given of themselves to make this possible.

Special thanks to Jeremy Geragotelis for his assistance with rehearsals, and to Kathryn Henderson for her work earlier this term. We are all sad she won't be joining us on stage tonight.

It is an honor to present this music to you, and it has been a pleasure to work beside you for the last four years.
