A meeting of central committee was held on May 19, 1942. Those present were Mrs. Garrett, Jeanne Gaudy, and Majorie Handwerk.

Early Leaves granted at that meeting.

To Otis Kidwell because she has an appointment to take an aptitude test at Stevens Institute which she cannot have at any other date.

To Anne Morrison so that she might be able to take the ride offered by Joan Bayne to New Jersey and thus attend the coming out party of a very close friend. The committee felt that since Anne had been very conscientious about her work all term it was all right to grant this permission.

To Virginia Cordes because her father had secured reservations for her to get home. The committee thought it wise at the meeting to speak to Virginia in more detail. She explained that reservations were very difficult to secure and this seemed to be the only way she would be able to get home.

Respectfully submitted,

Phyllis Carton
