FROM THE LIBRARY

Missing

Steiner - Where Do People Take. Their Troubles?

Bennington students are reminded that, in general, the libraries of other colleges and universities may not be used without letters of introduction. Any student who wishes to use another college library must secure a letter of introduction from Mrs. Leslie. This applies very particularly to the Williams College Library.

FROM THE NON-RESIDENT TERM OFFICE

All students should report to Non-Resident Term Office on any job interviews they had during Mid-term Vacation. Miss Funnell would appreciate any information about new contacts, especially if the employers were interested.

Anyone interested in doing housework in the morning please call Ext. 383 or drop a note in Box 84.
