Ha!

Thank 4 yr letter - glad u saw Erins
piece - sure she was happy u could - supportive
needs rife abt the B.B.!

Guess i'll spend with relax P. on return
while now looks like around March 9. 10th as
usual moving a week late (Dane & Dore should
be used to this by now) as took 10 days and went
to Istanbul and Cappadocia with Nigel and others
from the A.A. Amazing trip - churches, troglodytes -
Bazars, Ceizars - Hams (ians!) - mosques -
St Sophia the most thing to a transcendental
SPACE that i can imagine - phosphores on the Bosphorus
- etc - etc - (next thing, directly on return is
to finally purchase a new TYPEWRITER, thus saving
agony for many!) - Am now trying to catch up
my A.A. schedule - etc - never enough time!

Glad Gordon O did the catalogue -
Meantime maybe part of editing-room new set-up
NYC - maybe doing tape on Ellis Island! maybe
gattig shore of home in Mexico over summer! who
knows -

Further re: Dane Spear vid - well, people

have a particular boat which stay preserved from
-rocking - i think - so an odd but quite useful
mix of people i thought - & i really did like it as
a PROSE - (Just saw Tim Buckley do a multi
screen dinner with music by Bitu Gene, at F.E.A...
some dazzling live inngt mixing - but not enuf again
... really - inside well maybe im a much a gravy
consumer after all 20 layers of - the obvious don't
always make it a Feast or maybe it was a
McDonalds fast food anyway -) -

So - ok - will phone on re-turn -
Have ok it !

Cheers,

TZ
