Recreation Council Reorganization: Mr. Whittinghill's plan of reorganization was finally adopted. The vote was nine for his plan and four for the alternative plan.

Formal Weekend December 5th-7th 1941: The Entertainment Committee had planned a beer and coke party for Friday night December 5th. The Dance Committee will provide records and decorations. There will not be a square dance at Fillmore Farms that evening.

Representatives will find out about how many people are going to the Formal so that pre-Dance cocktail parties can be planned in a number of Houses. The expenses and plans for these parties will be shared by those participating in them. The Representative will motivate the organization of plans.

There will not be a Tea Dance Saturday afternoon.

Athletic Committee

Skiing: Kip Humphreys reported that she and a small group of students had cleared the slope west of the hockey field of small stones. Mr. Tschorn's men will take the larger ones off later on. The slope is quite steep and very convenient. Permanent planting of spruce or pine trees and a snow fence are desirable. A ski committee is being made up to take the place of the hockey committee.

Respectfully submitted,

Annette Kolin
