*Bennington, Vermont*

*56th Annual Commencement*

*June 15, 1991*

“We wanted to emphasize  
the feelings of triumph and joy more than  
honor or achievement.”

—*Margot Suter Rood '36*

Bennington's graduation ceremony has basically remained unchanged since the first class graduated in 1936. The nomination of candidates for degrees by the faculty and the subsequent vote to award the degrees by the trustees have become a tradition.

The planning of the first ceremony aroused great controversy. The faculty, faithful to Bennington's progressive spirit, proposed that there be no ceremony. But the students insisted that they could not be decently graduated without a formal awarding of degrees.

Still, the students wanted their ceremony to signify celebration rather than competitive reward. The procedures would be simple and brief, and there would not be any special awards or singling out of students.

We, the 56th class, continue in this spirit of community.  
We celebrate our graduation with triumph and joy.
