Miss Marjorie B. Fisk, Secretary
General Meetings
Bennington College
Bennington, Vermont

Dear Miss Fisk:

It will give me great pleasure to conduct a seminar and to address the general assembly during the Fall semester.

I am to conduct a major program at Massachusetts Institute of Technology, smaller programs at other colleges and must defer the fixing of a date for coming to Bennington until these major schedules have been established. As soon as I have their advices, I will write to you again.

Faithfully yours,

R. Buckminster Fuller
