Dear Ray, (Lichtenstein \$500.)

Many many heartfelt thanks to you
for your contribution to Berrington! I don't
know if you realize how much it really
does mean to me; that you're helping out
and responded to the need - my call out.

Berrington is one of very few places
that I go ^{all} ^{out} for, in many ways. Not
just because I feel grateful for
my history there, but I also think the
place right now is on all "turnovers" and
when people like ^{us} support it, it
gives an extra -- and necessary -- boost.
Productive. Thanks again.

I have a question for you,
there's no one like us; that we know!

non-scg: Do you know of any place
around your (L.I.) part of the
world that might be for rent this
summer?? Either v. near Swinburn
water or port, ^{with} stairs? Let me know
of any hints. Much appreciated.

Meantime,

be well, & healthy,
God wishes for a happy, worky new year.

Best,

Alan.
