

BENNINGTON COLLEGE
BENNINGTON
VERMONT

May 3rd, 1941

Dear Mrs. McCullough

The college wishes to let you and Mr. McCullough know that, due to student demand we have raised a fund in memory of Dr. McCullough. We are giving it to the Public Health Activities in Shaftsbury realizing that this was a project in which Dr. McCullough was vitally interested. We feel this is a small but sincere tribute for the great work that she did in this Community.

Very Sincerely,
