President Edward J. Bloustein  
BENNINGTON COLLEGE  
Bennington, Vermont

MAY 31 1966

Dear Ed:

Enclosed is a sketch of the proposed siting for the Techbuilt faculty house. I have indicated on the sketch the orientation of the plan, as well as adding a location for the garage which is not part of the standard plan as per the enclosed brochure.

I will call you sometime next week to confirm the date of the meeting in our office with you and Ben Thompson.

Very truly yours,

Richard R. Moger  
Associate
