Dear Wendy,

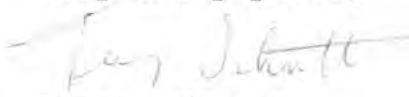

Happy New Year. Thank you for your response and the reviews.

By asking for an itinerary, I did not require an "official itinerary" - simply a projection, an anticipated schedule. My upset, concern and "tough" letters were due to lack of communication, until your letter of October /9, 1983, I did not know the location or condition of my exhibition prints.

At the close of the exhibition please ship my photographs to me c/o Stephen M. Tamchin, 1815 Third Ave., Oakland, CA 94606. Prior to shipment, please inform me of transport method and approximate arrival date.

Please keep me informed, really, that is all I ever asked. Thank you.

Very truly yours,

Terry Schutte  
Comptroller
