October 3rd 1949

Miss Marjorie B. Fisk
Secretary, General Meetings
Bennington College

Dear Miss Fisk:-

There have been additions to my schedule since
I spoke to you on September 6th. The following is my schedule for
1949-1950 season:

Institute of Design, Chicago, week Oct 24-29 incl. 1949
Massachusetts Institute of Design, 2 weeks Nov 7-18, 1949
North Carolina State College, Raleigh, NC. Nov 28-29-30. 1949

Massachusetts Institute of Technology, 2 weeks, Jan 9-20 incl. 1950
" " " " 2 weeks, Feb. 27-March 10 incl.
Institute of Design, Chicago, week March 13-17 incl 1950
Massachusetts Institute of Technology, week May 1-5 incl. 1950

I plan to come to Bennington to visit Allegra on
my way westward during the coming week Oct 10-15. Probably that is
now too close at hand to allow for scheduling. There is left only the
weeks in the first half of December for this semester. As I will be
driving north from Raleigh NC with my trailer load of models used in
my seminars I will need a five day margin. Should the coming week
Oct 10-15 turn out to be possible I will be glad to give the seminar
for art students and the lecture to the community at that time. I
will have the trailer and models with me anyway as they are to be
used in Chicago.

Faithfully

Buckminster Fuller
