HELP!: We have a survey of unemployment in Bennington all ready to go out.  
We do not have interviewers to take the questionnaire around. Must everything we have done come to naught? Please, please, help--come by Dickinson 203, call ext. 316, put a note in 132--if only to find out what is going on. Surely you can discover some time before you leave for the summer in which to help. (Sheela Harden)
