Minutes of the Community Meeting

The Community met in the theatre on the evening of Wednesday, September 25, 1935. Jane Hutchins presided.

Recreation  
Board

The Chairman read the proposed "Reorganization of the Bennington College Recreation Board". (See minutes of September 16, 1935). It was moved and seconded that the Reorganization be adopted as read, and the motion was carried.

Less Noise  
In The  
Houses

The Chairman announced that the subject of less noise in the houses during the day, as well as after 10:00 P.M. would be discussed in the House Meetings directly following the Community Meeting; and that the houses should carefully consider ways and means of eliminating as much noise as possible with the idea of selecting the best plan, after a trial period, to apply to the entire campus.
