

GALLEY

On Saturday, April 15, men and women from all over the eastern half of the United States will gather at Central Park in New York City and walk together to the United Nations Building to express their concern about the war in Viet Nam.

Information on the Spring Mobilization for Peace will be presented to Bennington students by members of the Viet Nam Committee at house meetings, as well as in galleys and other printed materials.

Chartered buses will be provided on the day of the Mobilization, April 15.
