

# Interoffice Memo

Bennington College

To Miss Judith Wilson

Date November 30, 1971

From Mr. Cornwell  
Chrm., Library Committee

Re: Black Library Selection Committee

Thank you for your note to Mr. Agard indicating the five students which ~~were~~ the black students have selected for serving on the above committee.

You will probably recall that during the open meeting of the Library Advisory Committee held on Monday, Nov, 22, that the make-up of the Black Library Selection Committee was decided to be the following:

The Librarian

A member of the Library Advisory Committee

A black faculty member

3 student members

Hence could you please indicate which three of the five students whose names you submitted, will serve on the committee.

Thank you.

*Mr. G. Cornwell*

*Notes:*

- 1) The above memo was sent to Judith Wilson.
- 2) I assume we will have minutes available ~~from~~ the Nov. 22 committee meeting before our next meeting on Dec 9.
- 3) Good luck at the meeting tonight. Perhaps if Al Johnson is there you might inquire about the status of negotiations between the Forest Service and Scott & Deney.
