Re: Judson Dance Project

Dear Arlene:

This is just to confirm the content of our meeting on June 27th, and to say how pleased we are that you feel enthusiastic about the project. Obviously there is a long way to go, but at this point it feels good.

It is understood that you will be writing Wendy a general letter of support and that a project date of September 17th through October 4th, 1980 would be appropriate for the exhibit. I spoke with Wendy about housing it in the Meeting Hall rather than the Garden Room, and she agrees that this would be preferable. You will also be asking Joan Hendricks for a list of photographers (along with Peter Moore) together with addresses, so that we can make initial contact with them with regard to prints, cataloging, etc. We also suggested that it would be wise to obtain a directive from the Archives Committee on the status of (a) travelling material to Bennington for use in the exhibition here (b) any strictures or recommendations concerning the general use of archive material.

Once we have some firmer sense of the amount of material (especially the photographic coverage) we can determine a detailed budget for the exhibit, and begin to design the appearance.

Please do not hesitate to call if you need further information, and we will keep you in touch with progress this end.

Yours sincerely,

Tony Carruthers
