***FILM:
PROSPERO'S BOOKS**

Vincent Canby of the *New York Times*, had this to say about *Prospero's Books*: "Knowing I lov'd books, he furnish'd me from mine own library with volumes that I prize above my dukedom.' Thus speaks Prospero when early in *The Tempest*, he tells his daughter Miranda how they came to be living on this isolated isle. It is no accident that Prospero's lines about his library are the recurring theme heard and seen throughout *Prospero's Books*. Peter Greenaway's splendiferous new film phantasmagoria. Among other things, the movie is a kind of obsessed collector's inventory of the Renaissance world: its thought, art, architecture, religion, superstitions, music, painting and, well, anything else that might be mentioned." *Tishman, 7:00 p.m.*
