Dear Mrs Foster: I was so glad
to receive your letter while I'm in
N. Y. for a few days, and able to
answer you definitely that the date
of November 3 is perfectly suitable
and that unless I hear from you
to the contrary I will save it for
my visit to you.

I'm also glad to have the
opportunity to see you and your
husband again -

I'm going on to Mexico now,
and you can always write me
at the above address. It will
be forwarded.

Most Sincerely

Ennis Hill
