

## New Works by Mary Lum on View in NYC

Aug 28, 2012

An exhibit of new works by visual arts faculty member Mary Lum will open with a reception at Yancey Richardson Gallery (535 West 22nd St., New York, NY) on Thursday, Sept. 6, at 6:00 pm. The exhibit, *Small Structures*—on view through Oct. 20—includes a series of small-scale photographs and acrylic-based collage works on paper, hung end-to-end in a line throughout the gallery.

Lum's work can also currently be seen at MASS MoCA, in North Adams, MA, in the exhibit *Invisible Cities*, which features works by 10 artists who seek to re-imagine the urban landscape.
