

Dear Wendy--

I've tried calling you a couple of times since you got a touch w/me at the beginning of the week. However, no luck, so I'm writing instead.

I think Barbara Moore is being impossible for the sake of being impossible. However, in Lorna's case why don't we ask her to return the photos to you that she thinks are undiscovered gems, & we can just go over them again?

I've had good visits w/Lucinda, Davis/Reid & Bob Huot. More letters to artists go out today.

The best time to pay me the 2nd installment of \$250 is on July 1st, & the final \$500 on October 1st. However, now that I think about it, why not do it vice versa, since I may need the \$ for my trip to Canada.

Thank Seana for the notes, which I'll →

P.S. (Like my graduation  
rehe?)
