Re:

Miss Hill asked me to tell the Entertainment Committee that there have been several suggestions that it might be fun some Thursday or Friday evening after dinner to have community square dancing on the green in front of Commons, using the P.A. system with records. If you think this would be a good idea, Miss Hill would be willing to organize and run it. Would you let her know as soon as possible, and tell her what date you suggest if you'd like to do it, and would you find out if there is a big megaphone she could use?
