To Minnette Hunsiker, Chairman, Recreation Council

From Dorothea Hendricks      Re: General Meetings

I attach a program for the meetings next semester. This may be a guide to you in planning Recreation Council events. Will you please check with me in every case, however, since this program is liable to change. Will the Council sponsor the movies on March first? Are you sure that Denise Underwood can get them that day? We've reserved Monday, March 18th, and April 22nd for movies. Will the Council sponsor these? Probably Mr. Belitt has some ideas for them. Please let me know if you have any suggestions.
