Dear Mr. Shane,

I am enclosing with this letter a "statement" for £39.05, which amount was billed in error to Airborne Freight in October of last year. The original invoice should, of course, have come to you, and I enclose a copy of it for your information. I apologise for this mistake, and should be grateful if you would let us have settlement of the invoice in due course.

Would you also be kind enough to let us know when we may expect the return of the Heron prints which we sent you for your exhibition. I hope that the show was a success; did you sell any of the prints?

I look forward to hearing from you.

Yours sincerely,

Sarah Shott
