Dear Wendy:

Enclosed is the letter you need for your fund raising efforts. Sorry it took so long, but things have been hectic on top of which I took some vacation time this past month.

My meeting with Tony went well, and he will surely convey responses to most of the questions raised. The ones I can't answer--1. whether the photos can travel--must go to the archives committee for a decision, and 2. photographers besides Peter Moore who are represented in the archives--will go to Jon Hendricks. Answers will be sent on to you as soon as possible.

We remain enthusiastic about the exhibit, but as I told Tony, 1980 seems so far away.

Hope to get to see you at MOMA.

Sincerely yours,

Arlene Carmen
