

On Tuesday, March 19, at 5:00 p.m., all students who are interested in organizing and staffing a draft counseling center in Bennington are invited to meet in Franklin living room. At that time, the functioning and purpose of the center will be discussed and those who are interested in working in any capacity at the new center will be able to determine what they would like to do, how much time they can commit, etc.

For those looking for an effective way to become involved up here in anti-war activity, this meeting should provide some useful ideas.

Please come.
