Dear Pat:

Thanks for your
phone call. I am sending three
Acrylic paintings by UPS also
in the package is a remarkable
photograph made by Kathleen
Myers "Tink" whom I courted
at Benn. She and I made the
worst puns that have ever
been made (all clean) - I liked
her. please use it if you want
to. I am sure a lot of the older
students will like seeing it - it
will have to take my place;
as I just can't come. Use one
or more of the ptp. Please take
care of the photograph

211 - 4th. St. N. E.
