Re: Revised Community Chest Committee Standards

E. Community Chest Committee.

1. The Community Chest Committee shall consist of two members of the Community appointed by the Community Council in conjunction with the outgoing Committee, with the Student Treasurer, ex-officio. It shall be appointed the first week in March to serve for one year. For the remainder of the spring term the old Committee shall act as a sub-committee to the new.
2. The functions of the Committee shall be:
 - a. To receive and evaluate all appeals made to the Community for money or property from local charitable organizations such as the Red Cross and the Vermont Childrens Aid Society.
 - b. To draw up a budget based on its evaluation of these appeals and its estimate of the probable voluntary contributions from the members of the Community. The Committee shall submit the budget to the Community Council and the Community for approval. This shall be
 - c. To manage a Gift Fund which shall consist of the Employee's Christmas Fund and a Foreign Student Fund as needed, and to submit a Gift Fund budget to the Community Council. It shall be at the discretion of the Community Council to submit this budget to the Community.
 - d. To administer, with the approval of the Community Council any surplus which may accrue.
 - e. To sanction or not, as it sees fit, any appeals for money or property made to the Community, under any circumstances and by any organization.
 - f. It shall be at the discretion of the Community Chest Committee to sponsor any drives in addition to the customary two, if it considers them enough of an emergency. These drives must have the full approval of the Community, acting through the Community Council.
 - g. It shall have no jurisdiction over appeals posted on the bulletin board.
