

Dear Helen -

NOV 17 1958

Forgive my stationery, I'm
hot-footing it to mail these pronto.
The Mama Noah came out well -
Electra shots less well - but o.k.
If you use one or two of these
you could also use the dressing
room shot. Your decision from
here. Hope we're on time, had
to twist arms in the University
Store.

Overdue letter will reach you
one day. If you can trace Eddie
Thommen you might send him a
copy of this Alumnae issue - I'm
not even sure he knows of Mum's
death. Or better still - send me
his address if you have it.
