Dear Carolee:

I'm sorry to have to report some serious audio problems on the tape of your Judson interview. At present the original of this is still traveling with The Judson Exhibition, so it may be that this is only on our transfer. However, we will have to delay release until the audio can be rectified. At worst, I guess it would mean a re-shoot.

I feel bad about this, as I really want you represented in the material, so it will continue to get worked on.

I will be in Europe Winter/Spring '84, and so maybe you can keep in touch Re: tape developments with Wendy Perron.

My best wishes,

Tony Carruthers,
