Dear Mr. & Mrs. Hungerland:

We have heard from Mrs. Hanks that you are coming to Bennington at the beginning of next month and wonder whether you would be willing to speak to a group of students on any aspect of your field. We thought that Sunday afternoon, November 4th, might be a possible date. If you are interested in doing this, we hope that you will suggest the title of your topic so that we can announce it. Also, would you let us know whether there is any literature you would like us to read in connection with any talk you may give here.

Looking forward to hearing from you, we remain

Sincerely yours,

Sonia Grodka

Dear Miss Grodka:

Thank you for your letter of October 17th and  
for your invitation to ~~speaking to~~ group of students.  
The date which you suggest is agreeable to us. As ~~to~~  
a title for our topic we should like to suggest  
" Aesthetics and Societal Art Criticism ".

Concerning your question in regard to literature,  
we sent a brief list of books to Mrs. Hanks and since  
at the moment that list is not available to me, I would  
appreciate your getting in touch with Mrs. Hanks concern-  
ing that list and other recommendations in connections  
with it.

With best regards,

Sincerely yours,

  
Helmut Hungerland.
