Tuesday, March 13, 1979

Absent: Wooley

## Discussion of Student Council budget

As of March 9, 1979 the total budget was \$6241.78. The account of the Recreation Committee's spending will be compiled by Randy Witlicki for next week. The budget for this semester is less, but a fair amount remains.

Jamie Kelter reports that there is \$200.00 left to spend on the four open slots for films. Ali Vogdani has access to four, or more, Iranian films.

Micah Morrison proposed a motion that, contingent upon the Social Science Division's approval to pay one half of the total expense, the Student Council will put up the balance of the total amount needed to show the four Iranian films. Motion passed.

Soli Ozel brought up the complaint that the pianos in V.A.P.A. and the classrooms in the Barn were locked at night. Various possible reasons for the rooms being locked were discussed.

With respect to this discussion, Erin Quinn suggested that the new Security Chief, Peter Blind, be invited to attend the next Student Council meeting, March 20, to answer any questions and enter discussion. Suggestion approved!

A decision was made that an open student meeting should be held at 6:30 in Tishman on Monday, March 19, to organize questions to be asked during the Community meeting. Everyone welcome!

Housing Committee needed three new members immediately. Tim Littlefield, Jeff Russack, and Kevin Haney are the new members.

John Sullivan proposed that the Student Council approve \$300.00 to be spent by Charles Townsend for a multi-media presentation. The proposal was tabled until more information was compiled and presented to the Student Council.

Eileen McMahon proposed that \$100.00 be given for wine and cheese for the poetry and prose readings for this term. Motion passed unanimously.

Randy Witlicki introduced discussion concerning the Recreation Committee. A change in budget allocation was discussed. Houses' responsibilities for Friday night parties was discussed. Inner reorganization was brought up. Topic tabled until next meeting, March 20.
