INFORMATION ON FEDERAL EMPLOYMENT

There are now many opportunities for college graduates in various bureaus of the Federal government. The New England Civil Service Office has written asking whether or not Bennington College students would be interested in having a representative come to the College to explain what the qualifications are for some of these jobs. If you are interested in finding out more about these opportunities, would you give your name to Ann Macfarlane of the Non-Resident Term Committee or to Miss Netherwood in Barn #34.

Autographing Tea Postponed

The autographing tea for Sally Liberman and Kiriki de Diego Newmark, author and illustrator of A CHILD'S GUIDE TO A PARENT'S MIND respectively, has been indefinitely postponed due to the illness of Sally Liberman.

The books are now on sale in the Cooperative Store and any books purchased now will be autographed when the tea is held.

FROM THE HEALTH SERVICE

Attention is called to the fact that we have had several cases of flu admitted to the infirmary recently and that some of these girls were not well for a day or so prior to admission. Please report symptoms early and let us be the ones to decide whether or not they are psychosomatic in origin. We want no epidemics.

We wish to call the students' notice again to the Dispensary hours. They are as follows:

Monday through Friday

8:30 a.m. - 12:30 p.m.

1:30 p.m. - 4:45 p.m.

7:15 p.m. - 7:45 p.m.

Saturday

10:00 a.m. - 12:30 p.m.

4:00 p.m. - 5:00 p.m.

Sunday

11:00 a.m. - 12:00 Noon

Infirmary patients require care especially around meal time, and even nurses have to eat. There is also some record keeping necessary. There is considerable disregard of the hour 12:30 p.m. - 1:30 p.m. when the Dispensary is closed, and also of that time between 5:00 p.m. and 7:15 p.m. when dinner has to be served and dishes returned to the kitchen on time.

Students who have had Tetanus shots in the past are reminded that booster shots are advisable every two years.
