Thanks to Collette Carr, to Dr. Hornbeck and Nurse  
Mallard for medical information, to Eve Sussman for the  
photographs, and especially to Isobel Martinez for lending  
me songs where lyrics matter.                   A.N.

---

The play was written with English accents in  
mind. Here and there I have changed a word or  
phrase to accommodate an American rhythm.  
Place-names and technical, form-filling details I  
have left unaltered on the premise that it is not a  
piece about a precise locale and its ec-  
centricities, but a play about three people and  
theirs.

Andrew Neil.
