

Sustainable Food Project Minutes--October 2nd, 2012

45 peeps

Check-In: What kind of bread would you be? Nom nom rosemary....

Updates:

Maple Syrup: Isadora spoke to David, Syruping will happen after FWT.

Need people to sign up this term (the more the merrier!)

Farm:

Rye seed for cover crop hopefully planted at next week's work Party...bring your friends!

Farm Meeting 12pm Sunday---Work Party 1pm

Coop Meeting 12:30pm Wednesday (Upcaf)

Farm is going to be on the college map...woot!

Composting/Cob Oven:

Budget and Events proposal submitted for cob oven

Feel free to turn the compost if you'd like: pitchforks down by the shed

Bike: is coming along! looking good in your green treds.

Need to buy a blender

Co-op:

Friday tabling 12:30-2pm

Sign up on the google doc--accountability for co-op's operations.

- Three tabs on excel sheet:

- 1)sign up on the schedule;

- 2) explanation of specific duties;

- 3) contact list

Giant sign project for Co-Op (Chris & others)

Punch cards are in effect (\$5, \$10, \$15)

Sprouts:

Need 2 people growing 6lbs. of sprouts in 2-half gallon jars

Small groups:

- Sprouts and Kombucha

- Finding jars--people interested will recieve email for sprouting

- Sprouting workshop...TBA

- Student Center wants alfalfa sprouts, but this group will expand their production to other sprouts

- Kombucha is still fermenting

- Find jars
