Director of Admissions
Bennington College
Bennington, Vermont

To whom it may concern,

I am hoping my application will be accepted. I feel I am adequately prepared to do the work and to make some contribution. My work at Christmas time and this present summer session with Miss Graham has sufficiently prepared me to take on the course. I have enclosed on the application form.

Enclosed you will find the program which I directed last spring at Ohio University where I taught my first year of Modern Dance.

My present address is a shifting one. I would appreciate your sending a response to me c/o Martha Graham Studio, 66 Fifth Avenue, New York City.

Sincerely -
Muriel E. Schocken
