Dear Terry Schutte,

As you know, Tony Garruthers and I are jointly planning a photography exhibit with Grey Art Gallery on the Judson Dance Theatre activities of the early 60's. The project is going well. Sally Baner, whose book Terpsichore in Sneakers has just been published, will be help with the video--interviews--part of the project, since she is working on a book on Judson; and Jon Hendricks will be curator of the exhibit.

I will be in San Francisco briefly at the end of February. I have some time in my schedule to visit old friends and, I hope, to meet with you and discuss the photo exhibit. I will be there from Feb. 25 to March 1, staying with a friend (Margot Crosman) at (415) 648-6131 (or you can reach me at S.F. Performance Gallery, where I'll be performing: 863-6606). Would it be at all possible to meet that Monday the 25th, or Tuesday or Wednesday during the day? I'd like to arrange this as soon as possible, so I can plan my rehearsal schedule around it.

Enclosed is a copy of the cover letter we sent along with our application to NEA.

Please write or call me soon about this. I'm looking forward to meeting you.

Sincerely,

Wendy Ferron
