Mrs. Mary Garrett  
Director of Admissions and Student Personnel  
Bennington College  
Bennington, Vermont.

Dear Mrs. Garrett:

There has been a considerable delay in answering your letter. Both Chaplains with whom I work in securing men to accept invitations have been away.

This morning Chaplain Steininger of the 187th F.A. Regiment has informed me that from 10-15 men will accept the invitation extended by the girls at Bennington College. I hope to report the exact number to you later in the week. In the meantime, on behalf of the men, let me express their sincere appreciation for the invitation to come to Bennington on April 25th.

Any further information you may have as to where they should report will be appreciated.

Very truly yours,

*Charles L. Park, Jr.*
