MEMORANDUM

To Car Owner

From Board of Directors of the Cooperative Store

Today the Store will institute a new policy in regard to the Gasoline Pump. From now on the Pump will be open to the public from 1:30 p.m. to 2:30 p.m. only. BUT from 12:30 to 1:30 p.m. a new service will be in operation. If you are rushed and harried, take special note. The order blank which you find enclosed with this message can be filled out and given to the Store Attendant. She will give it to the Gas Pump Attendant and between 12:30 and 1:30 he will call for, service, and return your car. This service is limited to cars left in the Parking Spaces to the East, West, and North of the Commons Building. Fresh order blanks may be obtained from the Store Attendant.

We wish to point out the superiority of Blue Sunoco as a motor fuel. It is a regular priced gasoline having a high octane rating but containing no tetra-ethyl lead. According to CONSUMERS UNION it is advisable to avoid the use of leaded gasoline because of possible hazards to health.
