Supplementary Report:

Late return from vacation

A written statement was received from Aurelia McIntyre's mother explaining that Aurelia was prevented from returning on time because of a delay in receiving her railroad pass. Travelling by coach would have been inadvisable because she had a fever from diphtheria shots. It also would have incurred an additional expense of \$30.

Lorraine Henderson wired that she was returning late. However, she was spoken to about the inadvisability of missing classes after a vacation.

Sarah Moore missed a conference with Mr. Troy because of late return and had no excuse. However, she assumed a responsible attitude toward reporting the fact and speaking to Mr. Troy.
