Dear Bennington College Community,

This year the Coop Store paid out \$371.18 in dividends to 179 members. More dividends could be paid next year if everyone would purchase more at the Coop Store. Save your sales slips!

There is an interesting selection of gifts for graduation and weddings in the Store. We have stocked a wide variety of books, stationery, art gifts, records and many other items. We also have many unusual and beautiful wrappings, ribbons and cards.

Very truly yours,
The Cooperative Store
