The dates and names of the people that are coming to our Summer Workshop are as follows:

Richard Elman	July 5	
Fred Busch	7	
Hortense Calisher & Curtis Harnack	July 11	
Bernard Malamud	14	
Stephen Becker	18	
John Cheever	21	
C. Lehmann-Haupt	22	
James Landis & Susan Levine	25	

I will be in touch with you as to who needs to be put up where. We might require something for Cheever and the two on the 25th, but everything else seems more or less manageable now.
