Dear Mr. Cheever:

It is an unhappy circumstance of my presidency that I am off-campus during some of our best events. I was terribly disappointed not to meet and hear you last Thursday.

Now I also learn that you contributed your fee to the Workshops. We are deeply grateful for your diverse forms of support.

I hope I have not missed my only opportunity to meet you at Bennington and look forward to a future visit.

Cordially,

Joseph S. Murphy
President
