

Dear Tony

Thanks for all the stuff on all the stuff and for being so organized. I'm not.

Talked to Jon Hendricks\* who nobly offered to take a mere 500 plus transportation. He also had suggestions on cutting the budget: cut publicity from 2500 to 1500, and glasing from 8 to 4 each (whicch he thought commensurate with the going rate. Judson Church, he thinks, would be willing to put in 250 toward their ~~gx~~ copies of the tapes.

He also suggests cutting the number of photos back to 175.

"ll of the above sounds reasonable to me; does it to you?

NEA will call me back this afternoon. I plan to ask Larry Neecks whats happening w the money, and in view of the fact of the delay, can we delay the project till the fall?

\*I alerted Jon about your situation but we agree the selection process should go on as usual.

Claire's proposal will come up next week. I think the e is support for it in the DIV

*Wendy*

Hello to Christie if I never get to see her this visit.
