Dear Dave,

Hi. How are you?

I ~~was~~ just received a letter from Meg Cottam reiterating that she is willing to do the video dubs for our final round of Judson interview tapes as soon as possible. This last batch is for Judson Church itself, and you may remember that we ordered a number of 3/4/ cassettes for this purpose some time ago.

I understand from Meg that there are complications due to a plan to change over equipment to a VHS format (sounds like a good idea for student usage). I had asked you in the beginning of the summer whether the 3/4/ editing equipment would be available for Meg. As usual the timing worked out terribly. If it is impossible to get the equipment in functioning order, could you please call me. Meg is coming down to NYC on Jan. 19th and it would be terrific if she could do the dubs ~~be~~ by that time.

Dave I realize that the whole Judson project has been possibly exasperating for you. And by the way, I'm not sure ~~ifxxxx~~ whether the project ever reimbursed you for the cost of the tape stock. * (According to my budget sheet no, so could you please look on yours? I went in to the business office a couple of times about it but maybe it needs yet another memo.) Anyway, I understand that we are pressing on your good nature, but if this last lap gets done soon, we'll all be happier.

Happy new year and regards to Pat.

I'm sending a copy of this to Meg, who will probably call you soon.
