My sincere thanks to Louis Calabro, who helped me with the writing of my violoncello suite, and to all of my friends who gave so generously of their time to play in my senior recital.

I would especially like to thank my teacher, Jacob Glick, whose patient and generously given help has seen this concert to fruition, and whose teachings will remain with me throughout my life as a musician.

This concert is being presented in partial fulfillment of the requirements for the Bachelor of Arts Degree.
