

The second meeting of the Board of Directors of the Bennington College Cooperative Store was held Wednesday, April 9, 1941, in room 75 of the Barn at 4:30 p.m. Those present were: Lisa Adams, Dorothy Coffin, Irene Crosby, Judith Knapp, Frances Berna, chairman, Eloise Bishop, Miss Steven, and Miss Aue. Mr. Brockway, Mrs. Woodlock, and Miss Jones were absent.

Minutes: The minutes of the last meeting were read and approved.

American Airlines: The American Airlines proposal has been sent to the Community Council with the recommendation of the Sub-Committee that parents' permission be required before girls travel on airplanes.

Gas Pump: The report of the Gas Pump Committee was given by Miss Aue. It recommends that order-blanks, (see attached form) provided at the cash register in the Store, be filled out by any car owner who wants his car serviced and given to the Store attendant. Will Parker will collect these when he gets the keys and during the first hour the pump is open he will go around and get the car, service it, and return it. It was decided to use all three parking spaces, because the walk was not so great to the East one as to decrease the efficiency of the service. An advertising campaign promoting this service and emphasizing the superiorities of Blue Sunoco was planned. A notice is to appear in The College Week and also there will be notes in the boxes of all car owners.

Community Education: This report was given by Dorothy Coffin

and is attached. There were several other suggestions and a few corrections. The auction is not feasible because the community would not make any money on it and it would have to be for charity. It was suggested that a tea be given for the freshmen in the fall in the Carr Carriage Barn as well as slips put in their boxes explaining the Store. A committee of Irene Crosby and Lisa Adams with Frances Berns as illustrator was appointed to work on this. A committee of Dorothy Coffin, Eloise Bishop, Miss Aue and Miss Steven, chairman, was appointed to work on posters showing the relation of the Store to the Community etc.

Beauty Parlor Survey: A committee of Dorothy Coffin and Irene Crosby was appointed to make and tabulate the annual Survey of the Beauty Parlor. A report is to be given at the next meeting.

Rummage Sale: A committee of Eloise Bishop, chairman, Lisa Adams, and Miss Aue was appointed to supervise the annual Rummage Sale which is to be held May 1. The Board voted to keep the financial arrangements of last year.

Agency Boston Herald and Traveller: The Boston Herald and Traveller want to establish a student agency on campus. The Board felt that this is a service only to the Boston people most of whom get the papers anyhow and therefore this is not a necessity. It also felt that the canvassing for newspapers in the fall is confused enough as it is, Therefore it was decided that the papers should be informed that a sort of silent student agency would be the only

considered.

The meeting was adjourned at 6:00 p.m.
